| ER Visit | Tummy Tuck |
| Fillings | Veneers |
| Heart Rate Monitor | X-rays |
| | + more |

How it works

Find a plan at Scratchpay.com. When approved, your practice will be notified.

Your practice will then finalize your Scratch Plan in their Scratch Plan Dashboard, and your approved funds will be used towards your medical bill.

If your plan is not finalized, it will naturally expire, and your down payment will be reimbursed.

Apply at Scratchpay.com
